**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It is very important to have a competitive market for high speed home internet. Our family was terribly dissatisfied with inconsistent service from both AT&T and Comcast in the past. The arrival of Sonic service to our neighborhood has met our need for fast internet service at a reasonable price. Please resist the lobbying efforts of big business and do not alter the market in a way that will limit competition or increase the cost of residential service.
